Housing  
Development  
Authority**

## **HOMEOWNER OUTREACH DAYS**

The Illinois Housing Development Authority is bringing mortgage loan providers, local housing assistance groups and state agencies together in **one place to help homeowners** who are struggling to pay their mortgages.

Homeowners will set up one-on-one meetings with lenders and then have opportunities to attend workshops of their choice. These 30-minute workshops will include:

- What To Do When Your Mortgage is Too Expensive
- How Foreclosure Works and What You Can Do
- One-on-One Sessions With Lenders
- Borrower Beware: How to Refinance

**Check the back side of this flyer for the location closest to you**
