

CHA/SENIOR HOUSING

The Chicago Housing Authority's mission is to provide affordable housing to low-income families and senior residents.

WAIT LIST FOR FAMILY PROPERTIES IS CLOSED

As a result of the Plan for Transformation, all of the CHA's occupied units are being rehabbed or rebuilt; therefore we are no longer accepting new lease applications for our family developments and our wait lists are closed.

WAIT LIST FOR SENIOR PROPERTIES IS OPEN

CHA is accepting applications for some of our senior buildings. Units in these buildings are available to people aged 60 and older.

TO APPLY FOR SENIOR HOUSING

[Reminder: The wait lists for the CHA's family developments are closed. Please do not call or submit an application. The process outlined below only applies to prospective applicants who want to get on a wait list for one of the CHA's senior developments at this time.]

Step 1: To be considered for an apartment, you must submit a completed application. The application must identify which senior building/development you are interested in, your current address, your family composition and other basic information about you.

Step 2: Send completed application(s) to the CHA's Occupancy Department. The Occupancy Department will process your application, determine your eligibility based on the information provided, assign your application an identification code, and place your application on the CHA's preliminary waiting list according to the apartment size you requested. After receiving your application, the Occupancy Department will send you a letter acknowledging receipt of your application.

Step 3 & 4: The CHA will notify you by mail when your application reaches the top of a particular wait list. Your notification letter will also invite you to attend an in-person interview at your selected site. During this interview you will be provided additional information on housing options available to you.

If you want to apply visit us or give us a call to set up an appointment @
