Job description statements are intended to describe the general nature and level of work being performed by employees assigned to this job title. They are not intended to be construed as an exhaustive list of all responsibilities, duties and skills required.

Organization Summary:
SCH’s mission is to provide comprehensive counseling, education and housing resources necessary for Latinos and other low-to-moderate income families in the Chicagoland area, to develop competence and responsibility in meeting their financial and housing needs, and advocate for and proactively promote additional resources for them. SCH has two locations to serve the North and South sides of Chicago and serves over 10,000 clients per year with a current budget of $2.5 million and a healthy financial position. SCH is a local and national leader in the housing counseling sector and continues to innovate its service delivery and expands its target market presence. We deliver quality programs and compassionate service to all residents in need.

Position Summary:
SCH has entered into a partnership, participating community based organization with West Side Health Equity Collaborative (WSHEC) to expand its services and hire Community Health Workers (CHWs). WSHEC is an initiative on Chicago’s west side that uses a comprehensive service network of community-based partners and medical providers to screen community members with chronic illness and for social determinants of health (that include housing) and provide a suite of comprehensive services to resolve identified issues. The SCH Community Health Worker will serve as a bridge between the patient, the medical system, and community-based organizations by building trusting relationships with community members served by the program. The CHW will also help in identifying barriers to accessing quality care, work with individuals to overcome these barriers, provide relevant referrals, follow-up with clients accordingly. The CHW will become familiar with SCH Comprehensive Suite of Housing Counseling Programs and work to connect SCH services to patient referrals in addition to connecting comprehensive services across WSHEC community-based and medical partners. Formal Health Worker Community Certification will be provided.

Responsibilities:
• Complete Health Risk Assessments (HRA) with patients living in target zip codes
• Assist with community resources and scheduling appointments
• Educate community members on the importance of engaging in primary care
• Home visits will be anticipated at the latter half of the program dependent on Covid-19 state and city guidelines.
• Refer to Medical Home CHWs at nearby WSHEC primary care practices for ongoing follow up and engagement with a primary care provider
• Accurately document patient information, assessment, and referrals in online portal platform
• Follow up with patients referred to primary care
